

# "Union Ideals To Live By"

- 1) **Members should not talk bad about other union members.**
- 2) **Members should attend monthly Union meetings.**
- 3) **Members should not discuss Union meetings in the presence of management.**
- 4) **Members who work out of their classification should do the work but notify management and the Union office as soon as possible.**
- 5) **Members should report all contract violations immediately to the Union.**
- 6) **Members should treat all Union members fairly and honestly.**
- 7) **Members should support other Unions when asked for help.**
- 8) **Members should remember they are the Union.**
- 9) **When members notice other Union members having problems, please contact a Union representative or the Union office.**
- 10) **Buy American and Union made goods.**
