President's Report - John Hoheusle

Dear Members,

I hope this message finds you well and enjoying the summer. As we move through July, I want to take a moment to acknowledge the hard work and dedication of each member of our union. Your efforts continue to ensure the smooth operation of our transit system and the safety of our community.

Heat safety measures: with the summer heat in full swing, please make sure you are following all safety protocols to ensure the well-being of our members and customers working outdoors. Stay hydrated and take regular breaks in shaded areas. Keep an eye on each other to make sure each one of us gets home safe and does not have a heat related injury.

Picnic: Our annual picnic was a huge success again this year, with a special thanks to Vicky Simpson and all of our wonderful volunteers, who worked tirelessly to provide our members and families a wonderful experience. I appreciate the huge turnout at this event, it was amazing to see all these different work groups come out and have a great time. We are hoping this continues in the future and this event continues to grow.

Meetings: Our meetings are a vital part of our community, providing a platform for us to connect, share ideas, and make important decisions together. Your participation is crucial to the success of our organization. Here's why you should attend:

1. Voice your opinions- this is your chance to share your thoughts and influence the direction of our organization.
2. Stay informed- get the latest updates on our projects, initiatives, and upcoming events
3. Network- connect with fellow members, exchange ideas, and build valuable relationships
4. Make an impact- your input helps shape our strategies and ensures we meet our collective goals.

Here's hoping you will attend out next meeting!

Thank you for your continued support and commitment. Together, we can achieve great things!

Have a safe summer,

John Hoheusle, President ATU 758

to our amazing Volunteers!... at this year's ATU annual picnic. You made the event possible for our members and families to enjoy a fun and memorable time together.

"No one is more cherished in this world than someone who lightens the burden of another."
