# Tentative Agreement

Today October 5, 2021, ATU Local 758 reached a tentative agreement. The next step in the process will be the proofing of red-line copies of the Employer's document with the Union's for comparison, errors, omissions and or clarification(s) if needed.

After proofing the tentative agreement document, your Union negotiation team will create a summary of the proposed changes for distribution to members in good standing, and will schedule a, or informational meeting(s) to discuss changes to the agreement which expired December 31, 2020.

The date(s) of the "informational meeting(s)" will be contingent on the availability of a facility for the meeting(s). If there are time constraints in regards to our normal twelve (12) hour meeting we may have the ability to conduct multiple meetings.

Members not in good standing will not be allowed in the informational meetings, nor will they have the ability to vote for the ratification of the agreement by the membership.

Thank you,

Isaac O Tate
